REQUEST FOR CORRECTED FILING RECEIPT

Assistant Commissioner for Patents
Attn: Application Processing Division's Customer
Correction Branch
Washington, D.C. 20231

Sir:

Attached is a copy of the official filing receipt received from the U.S. Patent and Trademark Office ("Patent Office") in the above application for which issuance of a corrected filing receipt is respectfully requested. The corrections are marked in red ink.

There are two errors on the official filing receipt. First, the filing date is incorrect on the official filing receipt. The correct date should be **February 15, 2000**. This is the date on which the last of the 35 U.S.C. § 371(c) Requirements were received in the Patent Office, i.e., Submission of the Executed Joint Declarations For Patent Application and Power of Attorney was filed. Copies of the Submission, the Declarations and date-stamped post card as filed on February 15, 2000 are attached for your convenience.

Secondly, additional priority data information was omitted on the official filing receipt. Please add "This Application also claims benefit of Provisional Application No. 60/053,451, filed July 22, 1997". See the attached Declarations.

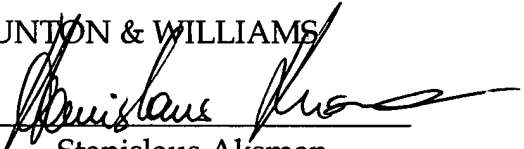

These corrections are not due to any errors by applicants and no fee is due. In the event any fees are due in connection with this Request, please charge such fees to the undersigned's Deposit Account No. 50-0206.

Respectfully submitted,

HUNTON & WILLIAMS
